AT PRISTON VILLAGE DESIGN STATEMENT DROP-IN SESSION
7 March 2015

What do you love about your village and would like to protect?

Community Spirit + 2

Absolutely No Street Lights + 21

Peace and Quiet (apart from the Festival) + 2

No Yellow Lines on the Road +1

Scruffy Village!

Dark Skies +6

Variety of House Styles +1

Preserve the “green fingers” & plots of garden which break up the clusters of Buildings +1

Absence of Speed Bumps +1

Natural Feel of the Village +1

Ring O’ Bells: important that it is kept as a major social centre.
Without this facility the character of the village would change to its detriment +7

Great Views & Walks +1

“Real” genuine village – not a show village set in aspic +5

No Road (traffic) Signs +2

The size +2

The Community Centre

Orchids, Butterflies, Birds (+2) Sheep

What do you want to improve or change in your village?

Faster Broadband +4

Ring O”Bells to open earlier in the afternoon (sometimes) +1

No flat roof Developments

No More Solar Panel + 1 [Disagree]

Cheaper Beer {Disagree! +1}

How about less road and more green outside the Village hall & Pub or better use of the Car Park as was previously planned +3

Kids’ Activities

More Public Play Areas for the Children of the Village + 3

Any Chance of a Small Corner of the V.H. Car Park for a Swing or a Slide?

Use Churchyard (or part) as a Play Area for the Village

What are your aspirations for your village?

Play Area for Children +2

Somewhere for Children to “Kick a Ball”
(Can’t we [make] arrangement with the Cricket Club?)

Green Space Belonging to the Village that Anyone Can Use – inc. Playground perhaps

Any Growth should be Gentle and Organic but Good Design shouldn’t be Squashed!

A Comprehensive Approach to Sustainable Domestic Energy for the Village (sorry Ford Fuel Oil)

Space & Design Permitting: very Limited Low Cost Housing

Keep Green Spaces +2

A Village Community that Values Young People and their Leisure Time
