

Eco-festival Priston

More and more people are taking action to care better for the environment. To stay up to date on what we can do, to have some fun in sharing local food, music, information and dance, what would be better than an annual eco-festival?

We could combine it with celebrating harvest, exchanging our own produce and make it coincide with the early Autumn sunshine!

The festival could be another important date in our Priston social calendar next to the May Day celebrations, the Priston Social and the Safari dinners.

We have an example in the festival run by Colerne and learnt from visiting it that there are funds available to support these kinds of activities.

If you're interested in thinking about an Eco festival in Priston, please sign up with Christien van den Anker (0761-479626) or check the PAGE website for the details.
