

Priston Village Christmas Post 2020.

YES, it WILL happen this year IF Covid restrictions allow!

The procedure will be as in recent years.

Deliveries will be to Priston and Inglesbatch only.

Post boxes will be in the church (on the font) and at 7 Summer Lea's letter box from

Saturday 12th December until last collection on 23rd December

Stamps: Prices have been locked down to last year's cost of **30p**. Much cheaper than the national rate! Available in church or from Jill and John Wilkinson.

If people are self isolating or following shielding procedures, arrangements can be made for your cards to be collected. Let John Wilkinson know on 01761 470773.

Proceeds are donated to the church. Please consider using this local post even if you have not used it before. This year has been an extremely difficult year for church finances so your use of this service will help to alleviate the shortfall.
