May Prayer: Living Lord, help us to continue to celebrate the realities of Easter. Teach us to live each day as your Easter people with joy bubbling up in our hearts, laughter shining from our eyes so that others, seeing the difference it has made to us, may discover the difference it can make for them. We thank you Lord for the wonders of your creation, for the beauty of the countryside which surrounds us and which is so accessible to us. Open our eyes to see your presence. Teach us to take seriously the environmental issues that confront us and to play our part, in whatever way we can, in reducing pollution. Be with children and young people who this month will be facing tests and exams. Surround them with your confidence, your presence and your peace. Thank you for our families, our friends and our neighbours and for the help and love offered, in so many ways, to those who need support in our community. Lord, fill us with new purpose and new life through the power of the risen Christ. Amen.
