## November Prayers

Heavenly Father during this November we celebrate the end of WW1 and remember all those who have given their life for our country and on whose shoulders we now stand. You promised eternal life to those who follow your way. Raise up all who have died believing in you especially those we have loved and those who have loved us. We pray for all those in our villages who are still grieving for loved ones, give them comfort and hope for the future and grant that we may share eternal glory with them. We are grateful to you, our God for those who have touched our hearts and our lives this past year. We pray for the end of wars and fighting in our world and that peace might reign. We ask this in the name of Jesus Christ our Saviour.
