

# Priston Festival Sponsorship 2026

18 – 20<sup>th</sup> Sept. Priston Village Green, BA2 9EE

We would be very grateful if you can sponsor Priston Festival. It is a not-for-profit, volunteer run, un-ticketed music festival which puts on about thirty-six great bands on five stages: church; Ring 'o' Bells pub; village hall, and two especially built for the weekend. A number of performers local to the village, or very nearby, play. We also run: a kid's eco-art space on the Saturday and Sunday; five music workshops for people to join in: community singing; harmony singing; and ukelele, skiffle, and folk sessions. A large gathering of Morris dancing takes place on the Sunday morning, and there are great local food and other stalls.

The festival is extremely popular with both audiences (the local community and from further afield) and performers, with perhaps five hundred people on site at peak times on Saturday and Sunday. We attract publicity from local press and radio, and have an active social media profile on Facebook, YouTube, and a Mailchimp subscriber list.

What sponsors get is: their name, logo and link on the festival website; repeated mentions on the festival Facebook page and mailing list; logo on printed material; and on stage banners.

**The Village Green**

The festival is a registered charity. Priston Festival: Charity number [1143394](#).
