Footpaths and Bridleways Report for PPC Meeting 16th May 2016

Gates across bridleways etc

The gate at the entrance to bridleway BA20/13 (next to the old piggery on the Marksbury road) has had an extension to its handle fitted to enable horseriders to open and close it more easily.

A gate across BOAT BA20/18 near Priston Mill, which had become impassible for horseriders due to deep ruts caused by motorcycles, has been removed.

Nothing further to report.
